RE: **ADMINISTRATIVE CLOSURE - IN THE MATTER OF GRAHAM COUNTY ELECTRIC COOPERATIVE INC.'S, MOHAVE ELECTRIC COOPERATIVE, INC.'S, SULPHUR SPRING VALLEY ELECTRIC COOPERATIVE, INC.'S, TRICO ELECTRIC COOPERATIVE, INC'S AND DUNCAN VALLEY ELECTRIC COOPERATIVE, INC.'S STRANDED COST AND REQUEST FOR WAIVER FILINGS (DOCKET NOS. E-01749A-98-0468; E-01750A-98-0467; E-01575A-98-0472; E-01461A-98-0466; AND E-01703A-98-0469.)**

Decision No. 60977, on June 22, 1998, ordered that each Affected Utility file an implementation plan including its estimated stranded costs. In compliance with Decision No. 60977, in August 1998, the above-listed cooperatives filed applications in the above-listed dockets regarding stranded costs and requesting waivers. The last filing in these related dockets, in each case, was on July 2, 2004. As a result, any data regarding stranded costs for these companies is stale and Staff anticipates that any filings relating to stranded costs would be made in 94-0165 (the consolidated docket) or in an entirely new docket. There is no longer a reason for the above-listed dockets to remain open; therefore, as a housekeeping measure, Staff requests that they be administratively closed.
